**DR. ROBERT ALEXANDER RECOGNIZED BY PEERS AS ONE OF TOP TEN**

Dr. Robert Alexander, Chief Science Officer with Healeon Medical, Inc., was recently recognized by his peers being voted as one of the *Top 10 Physicians in the World for Stem Cell Innovations*. This prestigious honor is a direct result of Dr. Alexander's years of research and contributions to the stem cell field. Members of this select group were voted on by their colleagues around the world and are revered as the experts in this ever-evolving field. Their contributions and scientific research have led to many scientific breakthroughs and have enhanced the safety profile by with bio-cellular treatments are performed.

Jeff Greiner, CEO of Healeon Medical says, "We are very excited for Dr. Alexander. His years of experience in the bio-cellular field have contributed to many of the protocols used in the clinical setting today. Dr. Alexander's continued dedication to this field has increased the standard of care and furthered science to allow for bio-cellular procedures to be performed appropriately around the world. It is wonderful he is now being recognized by his peers for such contributions."
